TOKEN AND MEDAL MAIL BID SALE # 27 - Closes Wed., May 27, 1987

There is a wide variety of material in this sale, and many better items, so check through the listings carefully. I always need to buy exonomia of all types; what might you have for sale? Please consider selling it to me or consigning it to my next sale. No buyers premium or surcharge in my mail bid sales.

MAIL BID SALE RULES & TERMS

1. All bids for this sale must be received no later than the above closing date. All lots sold to the highest bidder. If tie, lot goes to bidder with higher winning dollar total.
2. Minimum bid is 75¢ per lot, unless noted otherwise. Unreasonably low bids may be rejected; unreasonably high bids on common or low value items will be reduced. Bid a definite dollar and cents amount per lot. Estimates when given are generally conservative.
3. Winning bids over \$10 will be reduced to a 20% advance over the next highest bid whenever possible, up to a maximum reduction of 50%. Bids will not be reduced to under \$10 (except possibly when duplicate specimens are available). If duplicates of a lot are sold, the top bidders all get the lot at the same reduced bid.
4. You may phone in your bids (9AM to 10PM my time). Current high bids will not be revealed. Bidding advice will be given within reason. I will let you know if your bids are high or not, and if not, you may raise them, but I won't reveal if you raised them enough to be current high bidder. To find out if you're the highest, you can call back another day to repeat the above procedure (only one call per day) through closing day. Sale ends when 20 minutes goes by without a call after 9PM on closing day.
5. Established bidders will be sent lots with bill and invoice within 2-3 weeks after closing. Others will be billed first. Please pay promptly upon receipt of lots or statement. Postage, insurance, and a 50¢ handling charge will be added to the bill. There is no other buyer fee. Calif. residents must pay sales tax or provide a resale certificate.
6. The Prices Realized list is available for \$1.00, or 50¢ & SASE in advance. Subscription to next 4 sales (catalogues only) is \$4.50. With Prices Realized, \$6.50. (For Canada, \$6.50 and \$8.50; for foreign \$10 and \$13.)
7. Lots may be returned within 5 days of receipt if there is an error in description or material sent. Check your bids for errors and keep a record of your bids. You are responsible for your bidding errors.
8. The lot descriptions generally follow the pattern: Obverse/Reverse; metal, size in mm, condition. See inner back cover for abbreviations used. The illustrations are pencil rubbings or photocopies, and are reduced in size. Cities or states in parenthesis are not on the tokens; objects pictured or comments are also given in parenthesis.

☐

Time to renew your subscription (see #6 above, or below, for rates); not essential in order to receive next sale catalogue, unless box below is also checked.

DOTTIE DOW MINI PNC COVERS:
 The following is a complete set of small covers (all First Day of Issue postmarks unless noted "M") with cachet and BU encased elongated cent (the same topic as the stamp) issued by Dottie Dow 1971 to 1975 (at \$3 each). The covers measure 3 5/8 x 2 5/8 inches; a sticker on the back gives the number of each issue (used below after the lot number). Some issues do not have an elongated cent and these are noted. Covers were removed from a modern photo album (plastic over sticky strips) so some have minor damage on the back from removal. Descriptions greatly abbreviated. Denomination of stamp is given.

** End of Sale 27 **

NOTE - I will be setting up at two southern California shows in the near future. First, I will be selling at the big Long Beach Coin Show on June 4 to 7 (my first time set up there; you'll find me at table #350). I'll have over 12 big binders full of exnumia at reasonable to bargain prices (material that hasn't been offered publically in a year), plus other goodies.

As the show is shortly after this mail bid sale closes:

a) if you're attending the Long Beach show, you can pick up & pay for your auction winnings at the show (and save on postage-handling costs). Just let me know when you bid or in advance so I'll bring your material to the show.

b) because of the show, there will be a 4 to 5 day delay in mailing out most of the auction material, so take this into account in anticipation of your purchases arriving in the mail.

Two weeks afterward I'll be selling at the Calif. Exnumists Society's annual token show on June 21 at Griswolds

in Fullerton.

HOBONICKELS:

I'm still anxious to buy nice old hobo nickels for my personal collection. I'm paying \$15 to \$30 each (or more for top quality pieces). My request in my last sale didn't bring me a single hobo nickel. If you have any, please let me know, or send them for my cash offer.

SATISFIED CUSTOMER:

After Sale 26 I received this unsolicited note:
"The mail bid items that I won in this auction were without a doubt the best stuff I have ever gotten from you! I enjoyed every piece more than you described them! See if you can find more things like this."
N.P., N.Y.

I strive to have most of my customers satisfied thusly. However I do get some grumbles now and then. I know you're bidding based on written descriptions only, so I try to describe the material accurately and conservatively. But in dealing with relatively inexpensive material, I can't afford the space to describe insignificant blemishes or minor positive attributes.

CONSIGNMENTS NEEDED NOW for my next sale, #28. If you have worthwhile material to consign please send it in now. You can also opt to ask what my immediate cash offer would be to buy the material, and then decide to either accept my offer or have the material consigned in my next sale.

BID SHEET:

Use any sheet of paper to list you bids for this sale. I didn't have a spare page in this catalogue to include a bid sheet. Please be sure all your numerals are legible (to me); if I'm not sure what the lot number or bid is, I can't enter it. Also be sure you write the correct lot number for each item you want to bid on; errors here are fairly common, and you're responsible for such errors you make. Also please list your bids in numerical order and note any that are out of numerical order; that way I can spot a possible numbering error on your part. If you spot a numbering error in the catalogue, let me know.

APPROXIMATE SALE TIME SCHEDULE:

Catalogue mailed about 5 weeks before closing date.

Three days before closing is the latest you should mail in your bids for them to arrive in time. There is no guarantee, as delivery sometimes takes more than 3 days.

Lots are mailed to successful bidders one to three weeks after closing. I ship them out alphabetically by last name. If you're near the end of the alphabet and the delay bothers you, let me know and I'll send yours out earlier.

Please pay immediately upon receipt of lots you won.

Prices realized list is prepared and mailed about 3 weeks after closing.

Consignors paid 5 to 7 weeks after closing.
